Another school year is coming to an end! On behalf of the PTA Executive Board, I hope that you and your child have had an excellent school year and that you're looking forward to an even better Summer. I want to thank you for all of your support and participation. It was a wonderful experience for us to see so many of our families come out and join us during meetings, events and workshops! The Valentine's Day Dance and Family Fun Night are two of my favorite evenings of the year. The emotion created in the rooms are amazing and overwhelming. These moments are our motivation for working hard in creating opportunities for our kids, families and school to come together. I want to thank my PTA team (Erika Hunt, Helen Pappageorge and Emily Taylor) for all of their hard work and contributions!

Last Thursday, during our last meeting of the year, the new PTA Board was voted in! The Co-Presidents are Emily Taylor and Elizabeth Durand. Tonya Gittens is the new Secretary and Sue Athanasakis is the Treasurer. I congratulate them in taking on these leadership roles in our school. They will be your representatives at meetings and the voice for your children. Please continue to help and support them in making it all possible.

After eight years, my sons are graduating P255. We are headed to High School! It's amazing how time truly does fly. I feel honored to have been PTA President for three years, to have met so many wonderful families and to have become an advocate for all of our children. Thank you for everything and I wish you all the best!
