Please use your discretion in deciding whether to send your child to school on days with delayed openings. If schools are delayed, please note that busses will run, but their arrival times could be delayed up to two hours. In addition, all trips and after school programs will be cancelled. If your child requires a bus para or nurse to ride with them and they are not aboard the bus, your child will not be picked up. If you have any questions, please feel free to call your unit coordinator
